SCANNING SOLUTIONS

For every step of the journey

Amplify shopping experiences with our complete retail solutions, from the warehouse to shop floor to exit security. With Newland AIDC EMEA, you can meet all your needs in one place.

With our complete retail solution, you can enhance your customers' shopping experiences, speed up the checkout lines and optimize workflow processes.

Our Mobile Computers make sure you are on the right track with receiving goods and managing stock in the warehouse. We enable omnichannel experiences with

wearable solutions for quick click-and-collect and home delivery fulfilment. Use our price-checkers to increase customer engagement on the shop floor.

Whether you have an assisted or a self-service POS, make the checkout process smoother with our Touch Panel Computers and Fixed-Mount Scanners. Do you also offer loyalty programs? We are glad to back you up on that too. Don't worry about daily challenges anymore, we will put you on the right track.
